JACK NICHOL AWARD 2009

The Recreational Navigation Commission Announces

CALL FOR ABSTRACTS

The purpose of the Jack Nichol Award is to recognize excellence in the design of modern recreational boating facilities around the world.

To be eligible, a facility must:

- Provide berthing for recreational boaters
- Have been constructed within the last 25 years
- Have operated successfully for the last 5 years
- Accessible to the boating public

The Recreational Navigation Commission of PIANC will evaluate the applications and make a decision based on the following criteria:

- Functionality
- Aesthetics
- Environmental Sustainability

Submission deadlines:

Abstracts submitted **August 31st, 2008**

Short list notified by **September 30th, 2008**

Applications due **December 31st, 2008**
